

FOOD PROVENANCE

We source our food responsibly and ethically and are proud to have long standing relationships with our suppliers. All of our food is made fresh from scratch, every day.

Meat and poultry can be traced back to British farms. We only use Red Tractor certified, fresh British beef, pork, lamb and poultry. Our fresh British bacon is made from pork reared on UK farms and smoked using beechwood chips for a delicate but delicious taste.

- 100% Red Tractor fresh milk and cream
- Fresh British fruit and vegetables wherever possible
- RSPCA Freedom Food accredited pork and British Lion marked eggs
- MSC certified fish and seafood
- Fairtrade, Rainforest Alliance and organic coffee

Welcome

to Independents by Sodexo

Fresh food from scratch is as important to us now as it always has been. It's the way we do things. Seasonality, provenance and freshness are everyday words for us. All of our meat is sourced fresh from British farms and all of our fish and seafood is Marine Stewardship Council certified.

Pupils' health, wellbeing and satisfaction is at the root of everything we do. We aim to deliver fresh food you can be proud of; food that will make your pupils smile. I personally have a strong food craft background which chimes perfectly with the Independents by Sodexo food offer.

As part of our commitment to quality, we send senior chefs to École Lenôtre in Paris, one of the most prestigious culinary schools in the world. There is no better place for them to learn, develop and enhance their cooking skills to bring continuous improvement to our already high standards.

I am absolutely passionate about providing you with a brilliant and consistent service. I do hope that you enjoy reading more about what we provide and seeing some of the fantastic things we have to offer.
